What's This? The Myrtle Street Community Avant Garden is a 1 year old city owned community garden that is home to gardeners thru the City's BACG program managed by Burlington Parks & Recreation. Educational activities ranging from the arts to gardening take place here too, coordinated by Friends of the Avant Garden.

Who: These workshops are led by Maggie Standley. Maggie is a professional artist, educator, an arts & youth advocate, and one of the founding members of this new garden/neighborhood pocket park.

The Particulars: Wear sunscreen, Bring drinking water, and don't forget your imagination cap! (kids 4 and under welcome with adult).

No need to sign up, just show up! Each workshop limited to 19 people.
